Mrs. Doris Innis, Editor
Weekly Record of PW and BPR
Publishers' Weekly
1180 Avenue of the Americas
New York, N.Y. 10036

Dear Mrs. Innis,

I would have like to have made a special release for PW, but with everything to do myself, it just has not been possible. Here is a copy of the newspaper release.

The first ppinting is 10,000. I am again the publisher. I wrote the present distributors and within 48 hours had phoned-in orders for 25% of this printing. Some bookstores are already advertising it. Paul Elder, in San Fransisco (where I sign copies 12/15) sponsored a two-hour broadcast on which I spoke by phone from my home.

I expect those distributing WHITEWASH:THE REPORT ON THE WARREN REPORT to distribute the sequel, WHITEWASH II: THE FBI-SECRET SERVICE COVERUP. This is an entirely new book, coming mostly from the hitherto secret files of the Warren Commission, ~~which~~ with which it is illustrated (11 line cuts, 13 photographs).

WHITEWASH distributors: A&A, Bookazine, Dimondstein, Rayman, United News (Phila), Baker & Taylor (all divisions), District News (Washington), Delmarva News (Delaware- Eastern Shore Md.).

Feltrinelli has contracted for WHITEWASH: THE REPORT ON THE WARREN REPORT. I do not know pub date.

Sincerely yours,

P.S. Miss Barbara Bamor has the completed form for PW and PBP.
